SECTION 29. CONSTRUCTION OF GOOD QUALITY.

During any phase of construction, installation, maintenance, and repair of the system, Franchisee shall use materials of good and durable quality and all such work shall be performed in a safe, thorough, and reliable manner. Such work shall comply with FCC and industry standards.

SECTION 30. CONDITIONS ON USE OF STREETS AND PUBLIC WAYS.

- A. All wires, conduits, cable (coaxial, fiber, or functional equivalent), and other property and facilities of operator shall be so located, constructed, installed, and maintained so as not to endanger or unnecessarily interfere with usual and customary use, traffic and travel upon the streets, rights-of-way, easements, and public ways of the City.

- B. In the event Franchisee's system creates a hazardous or unsafe condition or an unreasonable interference with property, then at its own expense, Franchisee shall voluntarily, or upon the request of the City, remove that part of the system that creates the hazardous condition from the subject property.
- C. Franchisee shall protect rights-of-way, easements, and support or temporarily disconnect or relocate in the same street or other public way, any property of Franchisee when necessitated by reason of:
1. traffic conditions;
 2. public safety;

 4. street construction or re-surfacing;
 5. change or establishment of street grade; or

- D. It shall be the responsibility of Franchisee, within 72 hours of the request (acting alone or in conjunction with another person) to locate and mark or otherwise visibly indicate and alert others to the location of its underground cable (coaxial, fiber or functional equivalent) before employees, agents, or independent contractors of any entity with a valid permit installs cable or digs in the marked-off area.
- Any restoration expense or any damage caused to Franchisee's facilities resulting from the failure of an entity to have Franchisee's facilities located and marked or as a result of an entity constructing or digging in a location where Franchisee's facilities have been marked, will be the sole responsibility and liability of such entity who damaged Franchisee's facilities.
- E. Franchisee shall, on the request of any person holding a building moving permit, temporarily remove, raise or lower the cable wires to allow the moving of the building. The expense of temporary removal shall be paid by the person requesting it, and Franchisee may require payment in advance. Franchisee shall be given not less than twenty-one (21) day notice of a contemplated move to arrange for temporary wire changes.

SECTION 31. CONSTRUCTION STANDARDS.

- A. The methods of construction, installation, maintenance, and repair of the system shall comply and be consistent with good engineering practices for cable television systems of similar size and design, and consistent with FCC technical standards.
- B. Franchisee shall advise the City when a proof of performance test is scheduled so that the City may have an observer present if so desired.

SECTION 32. PERMITS AND LICENSES.

Franchisee shall obtain, at its own expense, all permits and licenses required by law, rule, regulation, or bid, and maintain the same, in full force and effect, for as long as required.

SECTION 33. STANDBY POWER.

Franchisee shall install automatic, activated standby power on its trunk-cable and at its headends, hubs and receive-sites associated with the distribution of cable service to and throughout the City to provide at least two (2) hours of standby power.

SECTION 34. EMERGENCY ALERT/EMERGENCY OVERRIDE.

Franchisee shall comply with all Federal Emergency Alert requirements. Franchisee will also design its system to allow local authorities to send out an emergency broadcast.

- A. Franchisee may construct, erect, install, maintain, operate, repair, replace, remove, or restore a cable system within the geographical limits of the City.
- B. The cable system may be located in, upon, along, across, over, and under the streets, rights-of-way, easements, and public ways of the City and County.
- C. The cable system may be located on City and County owned poles at no charge.
- D. Franchisee, through a separate pole or utility easement agreement with an affected utility, may locate the cable system on, or within, the property of such utility company.

SECTION 37. TERM OF FRANCHISE.

- A. Any franchise granted pursuant to this Ordinance shall have a term of ten (10) years. The rights and privileges granted by this Ordinance to Franchisee are not exclusive and nothing herein is intended to or shall be construed so as to prevent the City from granting other and similar rights, privileges and franchises to any other person, firm, association or corporation, provided, however, that such rights, privileges and franchises are no more favorable than those granted to Franchisee herein.
- B. The City and Franchisee acknowledge and agree that the field of cable television is a rapidly changing one which may see many regulatory, technical, financial, marketing and legal changes during the term of this franchise. Therefore, in order to provide for the maximum degree of flexibility in the franchise, and to achieve a continued, advanced and modern cable television system, the following evaluation provisions will apply:
- (i) The City and Franchisee mutually agree to participate in evaluation sessions at any time and from time to time during the term of this franchise; provided, however, there shall not be more than one (1) evaluation session every five (5) years;
- (ii) Topics which may be discussed at any evaluation session include, but are not limited to, channel capacity, system performance, programming, PEG access, municipal or educational uses of the system, subscriber complaints, judicial rulings and any other topics the City or Franchisee may deem relevant;
- (iii) During an evaluation session, Franchisee and the City shall fully cooperate with one another and shall provide without cost such information and documents as are reasonably necessary to perform the evaluation;
- (iv) The City and Franchisee, as the result of an evaluation session, may determine that an amendment of the terms or conditions of the franchise may be appropriate, that the requirements of the system or of the franchise should be updated, changed or revised (collectively the "Proposed Modification"). If the Proposed Modification is consistent with the terms of this franchise, the needs of the City, the then existing state-of-the-art technology and financially reasonable, Franchisee and the City will, in good faith, review the terms of the Proposed Modification and consider amending the franchise.

SECTION 38. PAYMENT TO THE GOVERNMENT.

- A. Payments shall be made at the times and in conformance with the requirements of applicable law, currently Kentucky Revised Statutes, Chapter 136, as revised by House Bill 272 (Tax Modernization) in the 2005 Regular Session of the Kentucky General Assembly (the "Kentucky Franchise Law"). Additionally, the City may at any time impose any fees or taxes consistent with state or federal

law, including, but not limited to property taxes, and occupational license fees but excluding and never including Franchise Fees except to the extent allowed by subsection (C), below.

- B. The excise tax distribution from the state is not a payment in lieu of any tax, fee or other assessment except as specifically provided in this Ordinance, or as required by applicable law. By way of example, and not limitation, permit fees and business license taxes are not waived and remain applicable as provided by law to the extent they are not Franchise Fees. Such payments shall be made at the times and in conformance with the requirements of this Ordinance.
- C. The City may not collect Franchise Fees from Franchisee except to the extent allowed by this subsection (c). If at any time Kentucky law is changed to allow the collection of Franchise Fees by Franchisee, (i) Franchisee shall pay Franchise Fees for the reason that the Roads to be used by Franchisee in the operation of its system within the boundaries of the City of Williamstown are valuable public properties, acquired and maintained by the City at great expense to its taxpayers, and that the grant to Franchisee to use said Roads is a valuable property right without which Franchisee would be required to invest substantial capital in right-of-way costs and acquisitions and(ii) the Franchise Fee shall be in an amount equal five percent (5%) of Franchisee's Gross Revenue.
- D. Franchisee agrees to timely pay all of the fees applicable to Franchisee associated with the City's Code of Ordinances, including any future amendments. Nothing herein shall be deemed a waiver of any right of Franchisee to challenge the imposition of any fee as inconsistent with applicable law.
- E. Subject to Section 622 of the Communications Act and the Kentucky Franchise Law, the payment of the Franchise Fee shall be in addition to any other tax or payment owed to the City by Franchisee.
- F. If any Franchise Fee is owed to the City under subsection (c), above, it shall be payable quarterly to the City and Franchisee shall file a complete and accurate report, signed by and certified as accurate by an officer of Franchisee, of all Gross Revenues received within the territorial limits of the City of Williamstown during the previous three-month period, and said payment shall be made to the City no later than forty-five (45) days after the expiration of the quarter when due. The Gross Revenue report from operations of Franchisee within the franchise area shall include: a schedule of Gross Revenue by category by month; a schedule of the number of Subscribers by category of service by month; and a schedule of Gross Revenue upon which the Franchise Fee is based.
- G. If any Franchise Fee is owed to the City under subsection (c), above, upon reasonable notice, the City shall have the right during normal business hours to inspect Franchisee's relevant revenue records at Franchisee's office, the right to audit and to re-compute any amounts determined to be payable under this Ordinance; provided, however, that such audit shall take place within twelve (12)

months following the close of each of Franchisee's fiscal years. If, as a result of such audit or review, the City determines that Franchisee has underpaid its fees to the City in any twelve (12) month period by ten percent (10%) or more, then, in addition to making full payment of the relevant obligation, Franchisee shall reimburse the City for all of the reasonable costs associated with the audit or review, including costs for attorneys, accountants and other consultants. Any additional amount due to the City as a result of an audit or review shall be paid within the thirty (30) days following written notice to Franchisee by the City, which notice shall include a copy of the audit report and copies of all invoices for which the City seeks reimbursement.

- H. In the event that any franchise payment or recomputed amount is not made to the City on or before the applicable dates heretofore specified, interest shall be charged from such date at the annual rate of 2% over prime interest rate.
- I. The City reserves the right to require Franchisee, to collect any consumer or other tax or other fee that may be lawfully imposed by the City, the Commonwealth of Kentucky, or the federal government on Cable Services.
- J. No acceptance of any payment by the City shall be construed as an accord and satisfaction that the amount paid is in fact the release of any claim that the City may have for further or additional sums payable under this Ordinance.

SECTION 39. RELIEF FROM ORDINANCE.

- A. A Franchisee may file a written petition, at any time, with the City seeking relief from one (1) or more provisions of this Ordinance. The relief requested may specifically include the delay in implementation of one (1) or more provisions of this Ordinance.
- B. So that no provider of multi-channel service (such as a wireless cable operator, competing cable operator, phone company, video dial tone provider, or direct broadcast satellite service) receives an unfair competitive advantage, Franchisee shall be entitled to relief from competition from any Competitor as follows:
 - 1. Franchisee shall have no greater channel capacity requirement than any Competitor.
 - 2. Franchisee shall have no greater responsibility to furnish reports than any Competitor.
 - 3. Franchisee shall have no greater customer notification requirements than any Competitor.
 - 4. The restrictions on Franchisee's billing practices shall be no greater than the restrictions placed on any Competitor.

5. Franchisee's customer service requirements shall be no greater than those imposed upon any Competitor.
6. Franchisee shall have no greater responsibility to provide institutional networks or data transmission facilities or interconnection than any Competitor.
7. Franchisee shall have no greater responsibility to pay a franchise fee than any Competitor.

SECTION 40. ASSIGNMENT OR TRANSFER OF FRANCHISE.

- A. Franchisee's franchise may not be assigned or transferred in whole, or in part, without the prior express written approval by the City.
- B. Any attempted assignment or transfer without such prior written consent shall constitute a default of such franchise.
- C. In the event of such a default, the City shall proceed according to the procedure set forth in this Ordinance, and any applicable State or Federal law.
- D. Franchisee shall petition in writing for the City's written consent for a proposed assignment or transfer.
- E. The City will not unreasonably withhold its consent to such an assignment or transfer. However, in making such a determination, the City may consider the following provided, however, that City will respond within the time frame mandated by federal law:
 1. experience of proposed assignee or transferee (including conducting an investigation of proposed assignee or transferee's service record in other communities);
 2. qualifications of proposed assignee or transferee;
 3. financial ability and stability of the proposed assignee or transferee;
 4. the character of proposed assignee or transferee; and
 5. the corporate connection, if any, between the Franchisee, and proposed assignee or transferee.
- F. Notwithstanding the foregoing, no consent shall be required for the Franchisee to hypothecate or mortgage Franchisee's assets or in the case of corporate re-organization where control of the corporation does not change.

SECTION 41. DEFAULT OF FRANCHISE; REVOCATION, TERMINATION OR CANCELLATION OF FRANCHISE.

- A. When any event, act or omission (on the part of the Franchisee) occurs which represents a substantial violation of an integral provision of this Ordinance, or materially compromises the corporate character, or legal, financial or technical integrity and/or stability of the system or the Franchisee to such a degree that the interests of the subscribers are negatively affected, then such event, act or omission may be considered a major breach of this Ordinance. Under such circumstances, the City shall notify the Franchisee in writing, of the specific breach, and direct Franchisee to comply with all such provisions of this Ordinance.
- B. Provided, however, where Franchisee satisfactorily corrects any of the enumerated conditions, within ninety (90) days from receipt of written notice, then in no event shall the enumerated condition be weighed against Franchisee in any subsequent review of franchise performance.
- C. Provided, however, that if the enumerated conditions cannot be corrected within ninety (90) days from written notice because of circumstances beyond operator's control, then Franchisee shall not be deemed in violation of the franchise.
- D. Within seventy-five (75) days, after such written notice is delivered to Franchisee, the City shall conduct a public hearing on the matter.
- E. The City shall provide written notice to a Franchisee, and any surety, of the time and place of said public hearing.
- F. At the time of the hearing, the Franchisee may present information on the current status of the alleged breach of the franchise agreement. If the situation has been resolved, or steps are being taken to resolve the situation, then the Franchisee may present the information at the hearing.
- G. If the affected Franchisee fails to attend the hearing, and has not requested a continuance of the hearing, then Franchisee shall be deemed to have waived its right to a further continuation of the matter, and may be declared in default of the franchise agreement.
- H. After the public hearing, the City may determine the Franchisee to be in compliance and dismiss the matter, or may determine that operator has cured any non-compliance and thereby dismiss the matter. However, the City may determine that a violation of this Ordinance exists and remains uncured. Consequently, upon a finding that Franchisee substantially violated an integral provision of this Ordinance, or failed to cure a material outstanding violation of this Ordinance, the City shall direct the operator to take corrective action within a specified period of time, and thereafter, if Franchisee has not taken such

corrective action, may revoke, terminate, or cancel the franchise, unless the Franchisee presents sufficient mitigating circumstances.

- I. When the City directs corrective action to take place within a specified time or declares Franchisee in default of the franchise agreement, that declaration shall be reduced to writing, and the notice of corrective action or default shall be delivered to such franchised Franchisee, and any surety, within fifteen (15) days of the City's action.
- J. Notwithstanding the above, should City notify Franchisee of its intention to revoke, Franchisee shall have the right to sell its assets to an independent third party. The City will not unreasonably withhold its consent to such assignment and shall grant its consent pursuant to the "Assignment or Transfer" section of this Ordinance. Upon assignment of this franchise, pursuant to this revocation section, assignee shall receive a franchise in full force and effect, free of default, for the term remaining on assignor's franchise. Provided, however, that such sale shall not relieve Franchisee of any liability for its default.
- K. Notwithstanding any other provision of this franchise, it is the intent of the City not to subject the Franchisee to penalties; fines, forfeitures, or revocation of the franchise in any of the following instances:
 - 1. In instances or for matters where a violation of the franchise by the Franchisee was unintentional and of *de minimus* effect on subscribers, the public or the City; or
 - 2. Where there existed circumstances reasonably beyond the control of the operator that precipitated a violation of the franchise, or were deemed to have prevented the Franchisee from complying with any term or condition of the franchise; or
 - 3. Where there is no pattern of violation or occurrence of repeated violations of the same matter over time after notification by the City.

SECTION 42. CAPACITY OF SYSTEM.

- A. Franchisee and City recognize that the need for channel capacity is in part related to the community's demand for video and non-video programming. Both the City and Franchisee also recognize that accurate prediction of this demand is very difficult and that micro-management as regards to system capacity of the franchise operations is not in the best interest of the City. Accordingly, a requirement for excess unused capacity will unnecessarily increase the cost of cable service while insufficient capacity will hinder the long-term growth of the system. Within these parameters, however, Franchisee's system shall have sufficient capacity to meet community needs efficiently.

- B. Provided, however, that cost to the Franchisee shall be taken into account should circumstances at that time cause Franchisee to not be able to justify expanding its system or programming services levels to the levels herein.
- C. Thereafter, Franchisee shall expand the channel capacity of the system, within a reasonable period of time, so that it can meet all future cable related needs of the community for which the cable subscribers are willing to pay. The desirability of additional channels shall be determined by a joint survey conducted by the Franchisee and the City of a representative sample of the then existing cable subscribers. However, in no event shall Franchisee be required to expand the channel capacity of the system in an amount greater than the number of channels for which it can reasonably recover the cost of adding the channel capacity over the remaining life of the franchise.

SECTION 43. DESCRIPTION OF CABLE TELEVISION DISTRIBUTION SYSTEM

Franchisee will provide service using using a 1 GHz analog and digital RF system over a fiber optic infrastructure. Such service will include over two hundred (200) channels of digital content, as well as high-definition (HD) programming, digital video recorder (DVR) and video-on-demand (VOD) services.

SECTION 44. MISCELLANEOUS PROVISIONS – TAMPERING AND UNAUTHORIZED RECEPTION OF CERTAIN SERVICES.

- A. No person shall intercept or receive, or assist in intercepting or receiving, any communications service offered over a cable system, unless specifically authorized to do so by Franchisee, or as may otherwise be specifically authorized by law.
- B. For the purpose of this Section, the term "assist in intercepting or receiving" shall include the manufacture or distribution of equipment intended by the manufacturer or distributor, as the case may be, for the unauthorized reception of service.
- C. Without securing permission from Franchisee, or making payment to Franchisee, no person shall be authorized to make any connection, whether physically, electrically, acoustically, inductively, or otherwise, with any part of the cable system for the purpose of receiving or intercepting, or assisting others to receive or intercept any cable service provided lawfully by operator.
- D. No person shall be authorized to willfully tamper with, remove, or damage any cable, wires, equipment, or facilities used for the distribution of cable services.
- E. Violation of Sub Section (A) above may be prosecuted under Federal, State and/or Local Law.

SECTION 45. EQUAL EMPLOYMENT OPPORTUNITY.

Franchisee shall comply in all respects with the Federal Communications Commission regulations governing equal employment opportunity. Furthermore, the company shall comply with all other applicable government regulations whether federal, state, or local.

Equal opportunity in employment shall be afforded to all qualified persons, and no person shall be discriminated against because of race, color, religion, national origin, handicap, sex, or age.

Section 46. BIDS PROCESS

- (a) All bids received by the City will become the sole property of the City.
- (b) The City reserves the right to reject any and all bids and waive all informalities and/or technicalities where the best interest of the City may be served.
- (c) Bids must be sealed, and submitted at the time and place indicated in the request for proposals. Bids may be modified at any time prior to the opening of the bids, provided that any modifications must be duly executed in the manner that the bid must be executed. No bid shall be opened or inspected before the public opening.
- (d) Before submitting a bid, each party bidding on the franchise must (a) examine the Ordinance thoroughly, (b) familiarize itself with local conditions that may in any manner affect performance under the franchise, (c) familiarize itself with federal, state and local laws, ordinances, rules and regulations affecting performance under the franchise, and (d) carefully correlate its observations with the requirements of the ordinance.
- (e) The City shall not unreasonably withhold its consent to issuing a franchise to a bidder. In determining whether to issue a franchise, the City may consider the following provided that the City shall respond to a request for a franchise within a reasonable timeframe:
 - 1. Experience of the applicant;
 - 2. Qualifications of the applicant;
 - 3. Financial capability of the applicant; and
 - 4. Character of the applicant.
- (f) The City reserves the right to reject any bid if the evidence submitted by applicant fails to satisfy the City that such applicant is properly qualified to carry out the obligations of the franchise and to complete the work contemplated therein. Conditional bids will not be accepted.
- (g) Under no circumstances shall the City be entitled to consider or have access

to an applicant's proprietary data or business plans.

SECTION 47. NATURE OF FRANCHISE.

Any franchise awarded pursuant to this Ordinance shall be a non-exclusive franchise and may not be unilaterally amended by the City.

SECTION 48. EFFECTIVE DATE.

This Ordinance shall become effective on the date of its publication.
